Deadline: return this to your homeroom by Sept. 15th, Wedn

We are a group of parents, teachers, and community members excited about the future of the kids at Lake Hamilton Jr High School. Help make a difference in hundreds of lives – including the ones closest to your heart. At this stage in your child’s life, it is more important than ever to stay involved. Research shows grades and test scores improve, less discipline problems, less tobacco, drug, alcohol use, and more college attendance. Your kids are not too old to need your help at school.

Joining the PTSO (Parent Teacher Student Organization) provides an excellent opportunity for parents to meet one another, get comfortable with the school and its staff, and support each other's common goals. Plus, we have a lot of fun in the process. If you have any questions or suggestions, please email or call.

LHJH PTSO needs your unique talents, whether it's volunteering a few hours a month or year, attending meetings, or sharing your ideas. After you join, you will be recognized on our FACEBOOK PAGE as an official member. Cost is \$4 per adult joining.

Planned FUNdraisers: Flip-Flops, Wristbands, Classes of 2014 & 2015 T-shirts, Window Decals, Flags
