PLEASE LABEL ALL ITEMS WITH YOUR CHILD'S NAME

*****There are many reasons why we ask for certain name brands on these items: Crayons- off brand crayons tend not to leave a clear mark, break easily, and are not true shades. For example, when actually colored, their blue looks like a green. Glue- other brands clog up or are too hard to squeeze out. Scissors - off brand scissors do not cut through construction paper. Markers - to prevent stains on clothing, please send washable markers. We realize that some of these items may cost more than others, but we have found that they will last longer and therefore won't need to be replaced as often, which will save you money in the long run. Thank you for your cooperation.*****
